

**Standard Operating Procedure – Accident Communication Protocol**  
**and**  
**Johannesburg Light Plane Club (JLPC) Contact and Emergency Details**  
*(Version: 3 November 2016)*

---

**Standard Operating Procedure – Accident Communication Protocol**

**1. Call for Emergency Service**

Netcare Emergency Call Centre 082 911

**2. Advise Airport Manager**

Johan Maritz 082-822-3179

**3. Call JLPC Safety Officer**

Ron Wheeldon 083-309-1822 / 011-646-6666

Alternate Roger Bozzoli 083-254-3993

**4. Call JLPC Chairman**

Dave Gill 082-378-8726

**Note:** JLPC Committee will coordinate all necessary actions. Patient care takes priority. Press - please do not call the airport manager as he will not take your call. Direct any queries to the Chairman.

In the event of an accident, the following applies while JLPC handles the emergency:

The Safety Officer will coordinate all rescue efforts.

The Chairman (Standby is Vice-Chairman) will coordinate all other efforts.

**Note to Press:** Only the Chairman will issue statements to the press. We will keep you informed as information becomes available to us, and is confirmed. Please do not attempt to contact any others on this list above, as they will only direct you to the Chairman. Your efforts to try and find a scoop might hamper rescue operations.

The Airfield Manager has been instructed to not take any calls. He will provide information to the Safety Officer and Chairman. The Airfield Manager will respond to your sms via the Chairman, when able.

The Committee will communicate among themselves via sms/emails. Phone calls to be kept to a minimum.

## Johannesburg Light Plane Club (JLPC) Contact and Emergency Details

**Baragwanath Airfield** (IACO code FASY, also known as Syferfontien)
